\* The Town of Foxborough was included in the South Coast Rail Plan, and priorities from the plan were carried through to the 495/MetroWest Development Compact Plan. An update meeting was held with the Town Manager on May 10, 2011 as part of the planning process.

\*\* The Town of Franklin opted to provide priority development and preservation areas that were previously identified by the town as part of other planning efforts. The areas were provided in the form of GIS data.

\*\* The Towns of Westford, Plainville and Harvard are not in the MAPC or CMRPC regions. Their respective RPAs (MRPC NMCOG, and SRPEDD) either initially provided priorities for the towns (Westford and Harvard) or information was used from a previously conducted PDA/PPA Plan (Plainville – South Coast Rail Corridor Plan). Revisions to the priority areas were submitted by municipal staff in Westford and Harvard following the Regional Public Forums in June.
